1 SATA 4/8 Channel 720P AHD Digital Video Recorder

The Honeywell Black™ HA-DVR-1104/1108-S is a 720P DVR for small-to-medium scale applications to deliver high resolution recording images. With outstanding 720P resolution, compatibility with AHD cameras & analog cameras, this DVR optimizes recording quality to provide outstanding video performance for hybrid application.

The user-friendly operation interface allows users to live view, record, playback, back up and remotely control the system simultaneously. With 1 SATA slot, the maximum storage capacity of the HA-DVR-1104/1108-S is up to 6TB. The HA-DVR-1104/1108-S is easy to configure and can be operated through smart phone and web browser. The mobile app allows a quick remote access and control to HA-DVR-1104/1108-S via your smart phone / tablet.

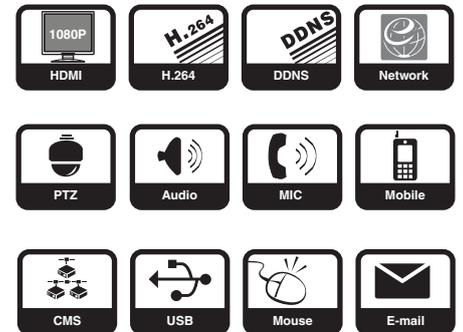

Free DDNS server service is available to support remote control of the DVR. The HA-DVR-1104/1108-S also comes with a free CMS software which provides rich functions such as video management, user management, storage, video output, etc.

Market Opportunities

The HA-DVR-1104/1108-S is specially designed for small to medium scale high definition surveillance installations. With 720P high resolution recording, compatibility with AHD cameras & analog cameras, it's easy-to-configure and easy-to-operate. This DVR is ideal for retail shops, offices, hotels, banks, hospitals, warehouses etc.

Features

- 720P high resolution recording
- H.264 High profile compression
- Playback 4/8 channels simultaneously
- Multiple recording options: manual, schedule, motion detection
- Pentaplex operation: live view, record, play back, backup and remotely access
- HDMI and VGA output simultaneously upto 1080P resolution
- 1 SATA HDD interface: maximum 6TB storage capacity
- DHCP, DDNS, IE browser and CMS supported
- On-line user view: maximum 10 users simultaneously
- Mobile app for Android and iOS
- Power: DC12V

HA-DVR-1104-S/-1108-S

1 SATA 4/8 Channel 720p AHD Digital Video Recorder

Specifications

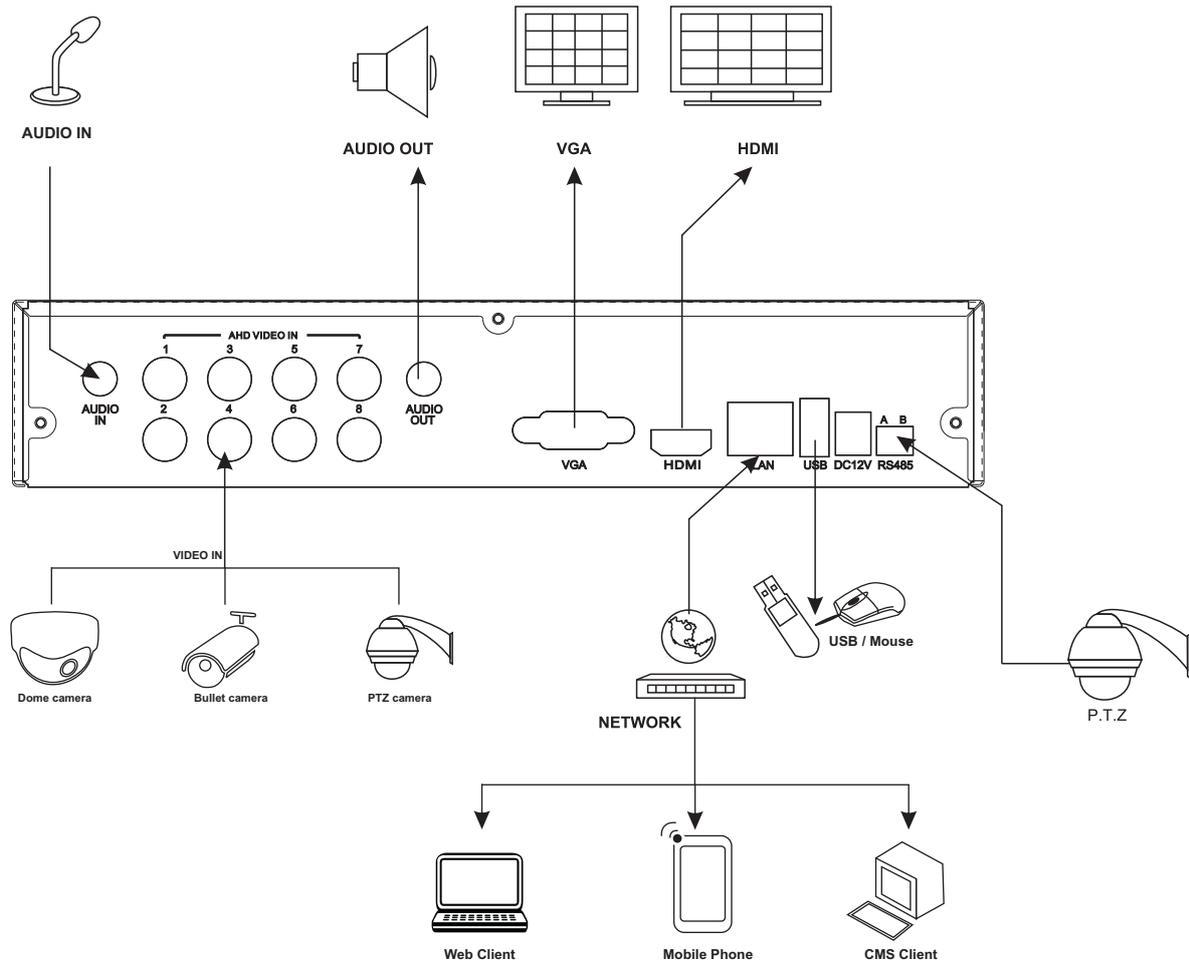

Model	HA-DVR-1104-S	HA-DVR-1108-S
System		
Operating System	Embedded Linux	
Video		
Video Standard	PAL/NTSC	
Video Compression	H.264 (High Profile)	
Inputs	4 BNC	8 BNC
Recording Rate	4 channels 720P@100/120 fps	8 channels 720P@200/240 fps
Audio		
Audio Compression	G.711A	
Two-way communication	Reuse audio input/output channel 1	
Audio Input	1 channel, RCA	
Audio Output	1 channel, RCA	
Recording and Playback		
Record Mode	Manual / Schedule/ Motion detection	
Playback	4 channels 720P@25/30 fps	8 channels 720P@25/30 fps
Pre - Recording Interval	5 seconds	
Post - Recording Interval	10 to 300 seconds	
Hard Disk	1 SATA port, upto 6 TB	
Backup Mode	USB Device, Network	
Display		
Interface	1 VGA, 1 HDMI	
Resolution	1920x1080; 1280x1024; 1024x768; 800x600	
Display split	1/4	1/4/6/8/9
Privacy Masking	3 rectangular zones for each camera	
OSD	Camera Title; Time stamp; Video loss; Motion detection; Recording	
Auxiliary Interface		
PTZ control	RS485, Support multiple PTZ protocols	
USB	2 ports (1 on rear panel), USB 2.0	
IR Remote	Yes	
Network		
Ethernet	RJ45 10M/100M Adaptive Ethernet port	
Network Function	HTTP; TCP/IP; DHCP; IP filter; DDNS; P2P; UDP; PPOE	
Maximum number of users	10 users	
Mobility	iPhone, iPad, Android (phone and tablet)	
Electrical		
Power Supply	12V DC	
Power Consumption	< 6W (without HDD)	< 8W (without HDD)
Environmental		
Operating Temperature	-10°C to 50°C	
Relative Humidity	10% to 90%, non-condensing	
Others		
Dimension	255 (W)x 209.5 (D) x 45.4 (H) mm	
Weight	1300 gms	1330 gms
Certificates	CE
